

Franklin Information Systems, Inc.

Today's Technology for Your Department with our Complete Software System, in the office and in the field

Permit, violation, housing, business inspections and more processed in the field with today's technology. Take a look at the new Pocket PC's (PDA) with a built in camera. With our software, update your inspection, attach pictures then upload in the office.

And it fits in your shirt pocket, How cool is that?

- ◆ *Microsoft Pocket PC (PDA)*
- ◆ *Notebook PC*
- ◆ *Web Enabled Cell Phone*
- ◆ *PDA and Notebook PC Live over the Web*
- ◆ *Wireless Networking*

DO IT ALL

- ~ **Permit Inspections**
